

DARKSIDE Labor Day Marathon

Joe Fejes and Margaret Curcio were the top male and female runners at the annual Darkside Labor Day Marathon. Twenty-six runners turned out at Luther Glass Park in Peachtree City on a beautiful September morning offering cool weather at the start and a virtual humidity-free morning and early afternoon. Everyone had a great time on the infamous 5.18 mile loop used for the Peachtree City 50/25K as well as the other two free marathons (New Year's Day and Memorial Day) hosted by the Darkside Running Club.
